ASSIGNATION

Between

SMJM Limited having the Company Registration number SC425149 presently of 3 West Craibstone, Aberdeen, AB11 6YW United Kingdom (hereinafter called "**Assignor**" of the one part)

and

Coretrax Technology Limited having the Company Registration number SC352403 presently of Technology House Moss Road, Gateway Business Park, Aberdeen, AB12 3GQ, United Kingdom (hereinafter called "**Assignee**" of the other part).

WHEREAS

Assignor is an owner of the Assigned IP and the Assignee wishes to take ownership of the Assigned IP. The Assignor is willing to transfer ownership of said rights to the Assignee on the further terms of this Assignment.

NOW THEREFORE:

1. INTERPRETATION

1.1 The definitions in this clause 1 apply in this Assignment.

1.1.1 **Assignment:** this assignment entered into between the Assignor and Assignee.

1.1.2 **Assigned IP:** any and all Intellectual Property Rights which relate to the Patents and any and all Intellectual Property Rights which relate to the Inventions.

1.1.3 **Intellectual Property Rights:** intellectual property rights, of any kind including, without limitation, all, if any, rights in any website (together with any web content), domain names and e-mail addresses and any patents, trade marks, copyrights, rights in the

nature of copyright, design rights (including unregistered design rights) and trade names, inventions, know-how and any similar right or any licence to use the same, whether or not registered and any application or right to apply for registration in respect of any such right throughout the world.

1.1.4 **Inventions:** the two (2) inventions entitled:-

- i) "Support Device for use in a well and a method for deploying a barrier in a wellbore" (Inflation Support Tool -- mark I); and
- ii) "An improved support device for use in a wellbore and a method of deploying a barrier in a wellbore" (Improved inflation support tool -- mark II).

1.1.5 **Patents:** the patents and patent applications, short particulars of which are set out in the Schedule, any and all patent applications which may be filed hereafter or may have been filed in any country which are either based on or claim priority from any of the listed patents and/or applications and any divisions, continuations, continuations in part, extensions, re-issues and foreign patents thereof.

1.1.6 **Schedule:** the schedule annexed hereto which is incorporated herein.

2. **ASSIGNATION**

2.1 In consideration of the sum of One Hundred pounds sterling (£100) now paid by the Assignee to the Assignor, the receipt and sufficiency of which is hereby acknowledged by both parties, the Assignor as sole legal and beneficial owner hereby assigns absolutely to the Assignee its whole right, title and interest, in and to the Assigned IP free from all charges, encumbrances and licences together with:

2.1.1 any and all goodwill attached thereto;

- 2.1.2 all the rights, powers, privileges and immunities and advantages conferred on the proprietor thereof;
- 2.1.3 all causes or rights of action, actual or contingent and the right to recover damages therefore in respect of any past, existing or future infringements of, or claim related thereto;
- 2.1.4 any and all common law rights and remedies in relation to the Assigned IP available to the Assignor as at the date of this Assignment; and
- 2.1.5 the right to apply and claim priority for, prosecute and obtain protection anywhere in the world in respect of the Patents, including without limitation the right to apply on its own behalf for "Foreign Letters Patent" in respect of the Patents.

3. WARRANTIES

3.1 The Assignor warrants that:

- 3.1.1 it is the sole legal and beneficial owner of the Patents and it is properly registered as the applicant or proprietor;
- 3.1.2 all application, registration and renewal fees in respect of each of the Patents have been paid;
- 3.1.3 it is unaware of any infringement or likely infringement of, or any challenge or likely challenge to the validity of, any of the Patents or of anything that might render any of the Patents invalid or subject to a compulsory licence order or prevent any application in the Patents proceeding to grant;
- 3.1.4 so far as it is aware, exploitation of the Assigned IP will not infringe the rights of any third party;

4. ASSIGNOR OBLIGATIONS AND ASSURANCES

- 4.1 The Assignor agrees and undertakes promptly, at the request of the Assignee, and at the expense of the Assignee, to, from time to time, execute all such

documents, forms and authorisations and to swear any declaration or oath and generally to do all such things as may be necessary or proper for giving effect to the foregoing and in particular:

- 4.1.1 for absolutely transferring the Assignor's full right, title and interest in the Assigned IP to the Assignee; and
- 4.1.2 where requested to do so by the Assignee, to defend, enforce and maintain the Assigned IP including, without limitation, bringing opposition, infringement or other proceedings against third parties.
- 4.2 The Assignor hereby authorises and requests (if and where appropriate) any official of any country whose duty it is to register any of the Assigned IP (or other evidence or forms for industrial and/or intellectual property protection) on application being made by the Assignee pursuant to this Assignment to issue the same to the Assignee and its successors and assignees.
- 4.3 The Assignor hereby unconditionally and irrevocably appoints the Assignee to act as its attorney with power to do all such things and execute all such documents and deeds, as may be required to transfer to the Assignee the full benefit of the rights granted hereunder by the Assignor.

5. ENTIRE AGREEMENT AND VARIATION

- 5.1 This Assignment contains the entire and only agreement between the parties relating to this subject matter, and each of the parties acknowledge that, on entering into this Assignment, they have not relied on any written or oral representation or undertaking other than as expressly stated in this Assignment, and that this Assignment supersedes any previous contract or arrangement (implied or otherwise) between the parties.
- 5.2 No variation of this Assignment shall be effective unless it is in writing and is signed by or on behalf of both parties.

6. GOVERNING LAW AND JURISDICTION

This Assignment (including any contractual and non contractual claims) shall be governed by and construed in all respects in accordance with Scots law and each of the parties hereto hereby submit to the exclusive jurisdiction of the Scottish courts as regards any claims or matters arising hereunder.

IN WITNESS WHEREOF these presents comprising this and the preceding 4 pages, and the Schedule are executed in the manner underwritten:
